The EDUCARE Platform

Gastroenterology – Online. On Demand. On Topic.

Boston Scientific's **EDUCARE** platform gives you instant, online access to a wealth of educational and training content all in one convenient place.

Visit
educare.bostonscientific.com
or scan the QR code to start
your learning journey today.

► Trusted.

Gain education and insights from globally recognized industry experts.

► Personalized.

Explore interactive videos, case studies and more tailored to your medical interests.

► On Demand.

Access content on any device, anywhere, at any time.

Gastroenterology

Online Training

Explore in-depth procedural videos, presentations, e-Learning courses, webinars and other training resources to support your learning journey.

3D Interactive Anatomy

Bring the virtual body to life with this interactive 3D tool for visualizing anatomy, disease and treatment. Dissect, rotate views and tour anatomical structures tailored to your training and education needs.

Case Studies, Clinical Articles & Procedural Videos

Discover what expert healthcare providers have to say about the latest procedures and techniques in real world case reports, online publications and clinical resources.

Training & Education Calendar

Stay up to date on Boston Scientific medical education offerings for online and in-person skills training opportunities.
